

## Shepherds for Lost Sheep

**"To help veterans help themselves heal through the use of service K-9's."**

Shepherds for Lost Sheep and the Spokane Vet Center have teamed up! We will be working together at helping Veterans with their continued readjustment through the use of service dogs. We will be meeting every Thursday from 1800 to 1930. If you are interested in obtaining a service dog please call Brenda Thurman at the Spokane Vet Center @ 509-893-4739.

Shepherds for Lost Sheep provide this service at no cost to the Veterans! This does not mean it is free. There is a time commitment, a commitment to the animal, and to yourself. We are all committed to helping every Veteran with their readjustment process and to getting back to a normal life. If you would like more information call the Spokane Vet Center!
